Subject: West Lake/Bridgeton Landfill CAG Resolution

Dear Dr. Brooks,

The testing and trench building project offered by Republic Services at the West Lake Superfund Site has generated a great deal of public concern and interest. Due to a dramatic amount of community members reaching out to the members of the CAG we asked if a resolution was in order. It was the unanimous feeling that the community's concerns be officially offered to the EPA. The attached resolution was drafted and submitted to vote by our CAG members.

I offer this resolution to be considered in guiding your actions in the matter of the Republic Services trench/fire break project. We would like a response to our requests by this Thursday, October 31st, 2013.

Thank you for your attention in this matter,

Douglas Clemens
